*“When I got involved with Verbum Dei, I completely fell in love with the Verbum Dei mission As a Loyola High School Alum.; I knew the importance of being a man with and for others and I fit right in. I have enjoyed being involved for over 5 years now. Attending their annual Gala has always been my favorite pastime, as I am able to see the students and have meaningful conversations with them. Verbum Dei holds a special place in my heart and I will continue to do my best to help them however I can.”*

When we found out that Ed does **Planned Giving Webinars** for LAPD, Archdiocese of Los Angeles, and Loyola High School, we asked him if he would consider doing this for our supporters and he agreed to do so. If you are interested, on **Tuesday, October 27th at 1PM**, Edward R. Cainglit, Esq. and Jeff Springgate, Edward Jones Financial Officer will offer a **Planned Giving Webinar that will provide you with strategies and tools to help plan your future**. At such a stressful time, with so much change and uncertainty, couldn't we all learn from this webinar?
